Technical Information:

Please note that all fabric offered is subject to minor tolerance in respect of shade and other slight variations.

Seam performance is dependent on construction and needle and thread type. We advise the correct sewing advice be taken

Technical specifications may be amended, please check for the latest information.

Fabric Care:

Use a vacuum cleaner or soft brush to remove dust and solid particles.

Poorly fixed clothing dyes, e.g. denim, and biro pens will cause permanent staining.

Wipe clean with a damp cloth or soap based cleaner. All soap residues must be rinsed from the fabric.

Do not machine wash or dry clean.
